

## Summer 2024 Seminar Hotel Suggestions

Dear Students,

We are looking forward to welcoming you to the Summer Seminar - June 23-27!

Summer is an exciting time in Chicago and to come to campus, which means on the flip side hotel rates are higher in the summer season. We are aware that the Blackstone, Hilton and Essex have high rates during this week, even with our Spertus discount codes (contact the Academic Team if you are not yet in the In-Person Seminar Resources Group in Populi).

We would like to point out a couple more affordable options:

**The Best Western Grant Park** is currently \$159 a night (only an approx. 3 block walk from Spertus along Michigan Ave). [Click here](#) to use our Spertus hotel rate code for this pricing.

**The Hotel Versey in Lincoln Park** (4.2 miles) is offering a rate of \$169 a night. [Click here](#) for the room block booking link.

We worked with The Hotel Versey last summer seminar to provide another option to students in a great neighborhood (walking distance to the lake, public transportation and much more). Many students carpooled from The Hotel Versey to Spertus.

Please feel free to look into these options! Accommodations while in Chicago are up to students' preferences; these are suggestions we hope you find helpful!

Kara Fingard
